

Food Grade Braided PVC Hose

BS6066 & ISO5774

This flexible, smooth, corrosion resistant, non-aging, and non-oxidising food grade vinyl plastic tubing is produced from raw materials meeting the FDA approved material requirement.

This Braided PVC Hose offers the same basic performance as clear PVC hose with more strength and flexibility making it ideal for tight installations where hose flattening and kinking may occur.

Hose is fully tested and certified and carries the food safe logos.

Applications

- Food Stuffs
- Beers
- Cool Fluids
- Oils
- Gases
- Dry Powders & Granules

Available Lengths:

30 metres & 100 metres

Sizes from: 1/4" to 2"

Page Tech Sheet **10168**

Characteristics:

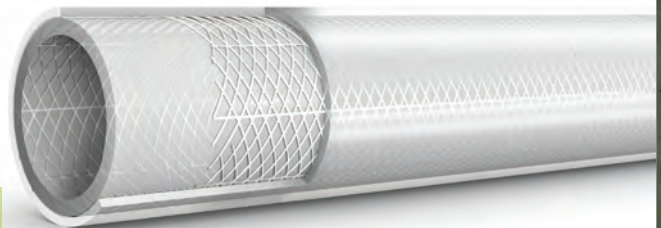

- Excellent abrasion resistance
- Good flexibility
- High resistance to alkalis/acids
- Silicone free
- Cadmium free
- Non toxic
- Transparency excellent
- Manufactured to comply with BS6066 & ISO5774

- Produced with FDA approved materials
- Durable, non-inflated
- High-flexibility, lightweight & easy to handle
- Non fissure phenomenon by ultraviolet rays & direct rays of the sun
- Little expansion or contraction
- Phthalate free

Food Certified Reinforced PVC Braided Hose

Working Temperature:
-20°C to +65°C

Heavy Duty, 30 Metre Coils
