

# Pipe Repair Couplings

**A World Leader in the design & supply of sealing, connecting & clamping solutions.**

**High Specification Stainless Steel Coupling for Repairing Leaks to Pressure Pipes**

- NBR Sealing Sleeve • Double Lip Seal Design • Upto 16 bar Pressure Rating • Suitable for Metal and Most Plastic Pipes

## NORMA® Pipe Repair Couplings

- Easy assembly and disassembly
- Re-useable
- Patented double-lip seal
- Standard steel strip insert
- Suitable for both high pressure and vacuum applications

## NORMA® Connect Grip Pipe Couplings

- Axial pipe coupling for connecting unrestrained metal pipes
- Strip insert included as standard for seal protection
- Unique double lip sealing system
- Progressive locking effect
- Rapid installation time
- Up to 16 bar (nominal) pressure rating

## NORMA® Connect Flex Pipe Couplings

- Axial pipe coupling for connecting restrained metal &/or plastic pipes
- Strip insert included as standard for seal protection
- Unique double lip sealing system
- Accommodates changes in pipe length & misalignment
- Rapid installation time
- Up to 16 bar (nominal) pressure rating
