 LOC-599893 500 10.60

8040 Freeze & Release

- This product is a special mineral oil formulation to free rusted, corroded and seized parts.
- The shock-freezing effect will cool parts instantly down to -43°C and cause microscopic cracks in the layer of rust.
- This allows the lubricating ingredients to wick directly into the rust by capillary action.
- Released parts remain lubricated and protected from corrosion.
