

Tyre Inflation Equipment

Tyre Inflators

Temperature Range:
-10°C to +45°C

- Zinc body.
- 2" gauge.
- 1/4" x 33cm rubber hose.
- 6" steel dual chuck.
- Air Inlet: 1/4"
- Measuring Range: 0 to 8 bar.
- Automatic shut off after 45 seconds of non-use.
- Inflation/deflation/measuring.

Digital, 2" Gauge Metal Body
