

# Respiratory Protection

Section 18 – Tools, Hardware & PPE

## Particulate Protection

Full P2 particulate protection and protection against nuisance level (below the WEL) organic vapour and acid gas.  
Connects directly onto the 3M 6000 & 3M 7500 half mask respirators.

3M 2128 P2 Particulate Filter

0299 £  
112600 2 16.80

Full P3 particulate protection and protection against nuisance level (below the WEL) organic vapour and acid gas.

Connects directly onto the 3M 6000 & 3M 7500 half mask respirators.

3M 2138 P3 Particulate Filter

0299 £  
113400 2 23.90

P3SL Particulate filter which connects directly onto the 3M 6000/7500 series half mask respirators.

3M 2135 P3SL Particulate Filter

0299 £  
112700 2 16.60

P2SL Particulate filter which connects directly onto the 3M 6000/7500 series half mask respirators.

3M 2125 P2SL Particulate Filter

0299 £  
112500 2 21.95

## Gas/Vapour Protection

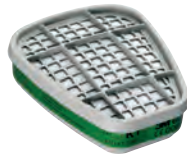

A1 Organic vapours filter which connects directly onto the 3M 6000/7500 series half mask respirators.

3M 6051 A1 Gas Filter

0299 £  
112100 2 20.60

K1 Ammonia filter which connects directly onto the 3M 6000/7500 series half mask respirators.

3M 6054 K1 Gas Filter

0299 £  
112200 2 34.70

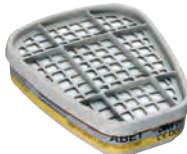

A2 Organic vapours filter which connects directly onto the 3M 6000/7500 series half mask respirators.

3M 6055 A2 Gas Filter

0299 £  
112400 2 25.20

ABE1 Organic/inorganic vapours and acid gas filter which connects directly onto the 3M 6000/7500 series half mask respirators.

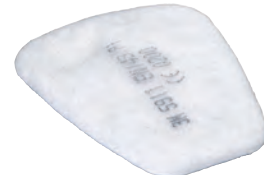

3M 6057 ABE1 Gas Filter

0299 £  
112300 2 24.35

## Combined Protection

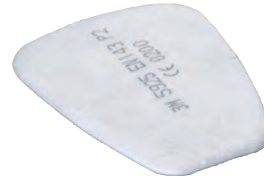

For use with a 3M 6000.  
A 3M 501 Filter Retainer is also required.

**Note:** This filter can also be used in isolation but a 3M 501 Filter Retainer and a 3M 603 Platform must be used to attach the filter to the mask.

3M 5911 P1 Particulate Filter

0299 £  
119400 30 130.40

3M 5925 P2 Particulate Filter

0299 £  
119800 20 124.90

3M 5935 P3 Particulate Filter

0299 £  
119900 20 140.35

Filter Retainer required when using a 3M 5000 series particulate filter in isolation.

A 3M 603 platform is also required.

When using a 3M 6000 or 7500 series mask and 5000 series filter in combination only the 501 retainer is required.

3M 501 Filter Retainer

0299 £  
119600 2 11.30
