

Industrial & Safety Matting

Electrical Safety Matting

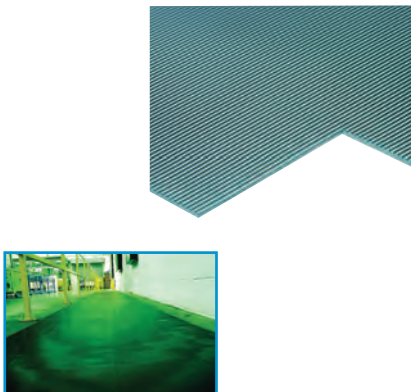

- 9.5mm thick tested to 15,000 volts for 650 volt rated working (Conforms to BS921/1976).
- Designed for use in front of open switchboards and high voltage equipment.
- Protects operatives from the dangers of electrical shocks.
- Also provides resistance to slipping.
- Conforms to British Standard BS921/1976.

0086		
SM010022A	0.9 x 2.5	230.70
SM010025	0.9 x 5.0	879.00
SM010032A	1.2 x 2.5	585.95
SM010035	1.2 x 5.0	1171.90

Fine Fluted Matting

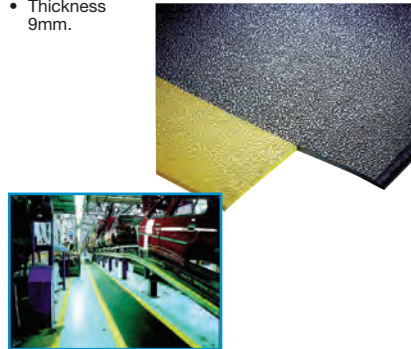

- Provides hardwearing slip resistant surface.
- Can be used in wet or dry environments.
- Insulates the user's feet against cold concrete floors.
- Ideal for use on workbench surfaces to protect fragile parts from damage.
- Available in 3mm & 6mm thicknesses.

0086		
RR010005	3mm x 0.9m x 5.0m	255.75
RR010010	3mm x 0.9m x 10m	285.15
RR010015	3mm x 1.2m x 5.0m	255.75

Safety Anti-Fatigue Mats

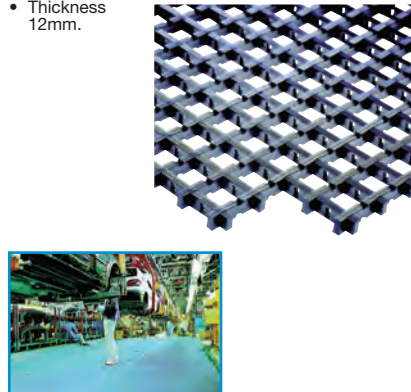

- Manufactured from 100% closed cell vinyl.
- Bright yellow borders increase safety awareness.
- Reduces operator fatigue.
- Ideal for use when standing for long periods.
- Cost effective solution to reducing both leg and back ache.
- Fire tested to DIN 54332 (B2) Part of DIN 4102.
- Conforms to slip resistance test EN 13552 Category R10.
- Thickness 9mm.

0086		
AF010701	0.6 x 0.9	80.45
AF010703	0.9 x 18.3	1433.75

Cobamat Standard

- Hole size 22mm x 22m allows drainage of swarf and fluid.
- Gives added grip in all directions.
- Conforms to BIA Anti Slip and Slip Resistance test EN 13552 Category R10.
- Provides relief from operator fatigue.
- Fire tested to DIN 54332 (B2) part of DIN 4102.
- Totally reversible.
- Available in three colours.
- Thickness 12mm.

0086		
CS010605	0.6 x 5.0 Black	555.75

Heavy Duty Matting

- Made from a combination of natural SBR rubber and nitrile.
- Interlocking sections.
- Provides coverage of any length in 0.9m and 1.5m widths.
- Excellent resistance to most oils and grease.
- Raised circular surface for superior slip resistance.
- Spilt liquids drain through open holes.
- Conforms to Slip Resistance Test EN 13552 Category R10.
- Comfortable – reduces fatigue from standing.
- Black.

0086		
HI010001	1.5 x 0.9 Edged all round	176.45
HI010004	1.5 x 0.9 Edged 2 short & 1 long	152.30
